26. (Unclassified - RLB) LEGISLATION Spoke with Mr. Alan Parker, Chief Counsel, House Judiciary Committee, regarding the referral to the Committee of H. R. 11245, the intelligence charter legislation. (See Memorandum for the Record)

27. (Unclassified - RJW) LEGISLATION Spoke with Forrest Frank, on the staff of the Subcommittee on International Operations, House Committee on International Relations. Mr. Frank said he had received our "one-pager" regarding the "Science and Technology" amendment to the Foreign Relations Authorization Act, FY 79. He said that the staff was considering solving our problems with a "technical amendment" to the legislation and by means of appropriate report language. Mr. Frank did not expound except to say that he hoped this could be done at Subcommittee level.
